

## **Production Supervisor – Boning Room Department, Inverell NSW**

Food Manufacturing Environment

Fast paced and challenging role

A positive and rewarding team environment

Bindaree Food Group (BFG) is a vertically integrated supply chain business delivering global meat solutions both domestically and internationally and has solidified its position as a prominent leader in the Australian meat industry.

As an employer, our values underpin everything we do: culture of care, agility, exceed expectations and openness. We are driving change and innovation within our business, empowering, and developing our people. It is an exciting time to join our team, with a positive promotion for continuous improvement and positive culture change.

### **Your responsibilities will include but will not be limited to:**

- Ensuring a proactive and consistent approach to all matters relating to workplace health and safety including a strong focus on compliance, continuous improvement and where appropriate early intervention.
- High degree of compliance from both a people and food safety perspective at all times paying particular attention to ensuring compliance with all Critical Control Points (CCP's);
- Monitor employee productivity and provide constructive feedback and coaching.
- Work with other members of the management team to ensure complaints or problems are proactively addressed and resolved.
- Drive daily KPI and production targets.
- Provide positive and transparent supervision and leadership within the production room to perform against operational aspects and plans.
- Support return to work programs.
- Report critical issues for operations and provide advice on options when dealing with these.

### **Essential Qualifications**

- Previous experience in a similar role, within a meat processing plant.
- Sound technical knowledge of meat processing, product presentation and extensive food safety knowledge.
- Be dependable and reliable, having the ability to work a flexible schedule that changes as the business changes including nights, weekends if required.
- Have strong written and verbal communication skills, the ability to give direction, while participating in a team environment.
- Have strong organisational and planning skills with the ability to perform under pressure, prioritise and handle multiple tasks and adapt to change when necessary.

### **How to Apply**

The successful applicant/s will be rewarded with an attractive remuneration package negotiable based upon experience and the opportunity to work with a progressive, reliable, and stable Company. Relocation assistance may be available for the successful applicant. For further information about the role please contact our People & Culture team on (02) 6721 1411.
